

vista cam1000

High Definition Waterproof Outdoor Wi-Fi Camera

With a weatherproof case, infrared night time illumination, and a high-definition 720p picture, the VistaCam 1000 is ideal for keeping an eye on the outside of your property whether you're on the couch or across the world. The VistaCam 1000 features a motion detector and built-in microphone, and begins recording automatically as soon as it registers

movement or sound. The camera can also be paired with smart lighting to automatically illuminate your walkway when you arrive home at night. This camera requires an AC outlet, and comes with a weatherproof connector for the power adapter.
